Dear Sir/Madam,

I strongly object to the plans to expand the oyster farms in the Braade Strand –Gweedore Bay area. Braade Strand is one of the most beautiful and peaceful places I know. My partner is from [REDACTED] and we often bring our children to his mother’s house which is right beside [REDACTED]. We have many happy memories there and I want our children to grow up witnessing the beauty and serenity which we have for so long loved. We often bring friends who visit from all over the country to the strand. The people in the community have lived in harmony with the existing oyster farms but the size of the proposed expansion is simply too big for such a small area and can no longer be tolerated.

Your plans will totally destroy what to me, my family and the community, has always been there, is an indispensable asset and a cherished pleasure to view and walk.

For the sake of current and future generations, please do not continue with these developments.

Yours sincerely,

Maggie Green
