To Donegal.

To whom it may concern

I would like to place my objection to the proposed oyster farm in Zweedone Bay Braade strand. This scenic area has been unspoilt for generations and to propose a fifty five acre OYSTER FARM in this area is madness. I have lived here all my life. I have walked the strand all my life with my children and grandchildren. They use it for swimming and walking the dogs. We do not want this scenery spoilt by ugly oyster beds. We have even lost all the Black Mussels its an absolute

disgrace what is happening
please do not let this happen
to our scenery we rely on
Tourists in this area
This is all to do with
greed once again.
